Dear [redacted]

In a telephone conversation with [redacted] this morning, we agreed to publish Appendix C of the report, "The Role of Air-strikes in Attaining US Objectives in North Vietnam," jointly, and that this report would have an annex consisting of a sanitized version of Appendix B. The annex would be attached as a DIA paper. As you and I agreed, we will eliminate all reference to the main report and will modify some of the language. 25X1

I am forwarding an amended version of Appendix C for your review and comment. I am also enclosing a copy of Appendix B for your use. Ed Allen will be handling this for us and I understand that [redacted] will be working on it for you. Whenever [redacted] is ready to discuss this with us, I suggest he call Ed Allen. The paper will need a preface and I think we should consider too whether it would be worthwhile to have a summary section. I believe a summary would round out the paper and give it more the appearance of a publication which stands on its own. 25X1 25X1

If you have any further thoughts, I'd appreciate a call.

Sincerely,

(S)

[redacted]
